# UKZN OFFERS NEW ONE-YEAR MASTER'S DEGREE IN ARCHITECTURE

UKZN will be offering a one-year master's degree in Architecture for applicants who hold a Bachelor of Architecture degree or a Postgraduate Diploma in Architecture.

A two-year, part-time master's degree is also offered to applicants who hold a Bachelor of Architectural Technology or Architectural Studies degree, with five to ten years (5 to 10 years) practical experience.

The applicants may enrol in the master's degree programme via rule GR7, which is based on prior learning and allows for bridging modules in Research Methodology, History and Theory.
